

## Deloitte's 2019 Outsourcing Provider Executive Forum

### 3D Outsourcing: Digital, Diversity, and Detonate

Join us on September 19-20 at Deloitte University in Westlake, TX

#### Why attend?

Our clients are building on the momentum of Digital transformation and are increasingly looking to buy emerging capabilities rather than having to build them. But their work is not the only thing changing in the dynamic world of outsourcing. Their workforce is becoming more diverse than ever and needing to have a more inclusive culture. Is it time to detonate established practices?

This is your chance to be among a select group of outsourcing leaders at Deloitte University over two days this September. Hosted by Deloitte's Outsourcing Advisory practice, the Forum will offer a mix of keynotes, insights and networking opportunities.

#### Who will attend?

We will bring together executives from the world's leading services organizations.

Speakers include Deloitte leaders, our mutual clients, and published thought leaders and authors.
