## 2006 Deloitte Energy Conference

*Strategic Challenges,  
Innovative Choices*

June 15-16, 2006  
Washington, DC

A close-up photograph of a hand in a white shirt sleeve moving a dark wooden chess king piece on a blue and white checkered board. The background is a solid blue color. Other chess pieces, including a white pawn, a dark king, a white pawn, and a dark knight, are visible on the board.

Audit • Tax • Consulting • Financial Advisory.

# 2006 Deloitte Energy Conference

## The Program

For two days each year, executives, investors and regulators from around the globe join Deloitte's energy professionals for an in-depth analysis of key developments and challenges facing today's global and domestic energy markets. Speakers come from a cross-section of the world's energy industry, and the conference topics are of keen interest to energy management and boards of directors.

## Thursday, June 15, 2006

### Global Energy Landscape

Views of industry thought leaders and company executives about the world energy landscape, including energy supply and demand dynamics and opportunities for and barriers to global energy infrastructure.

- Gregory H. Boyce, President and CEO, Peabody Energy
- Dr. Fadhil J. Chalabi, Executive Director, Centre for Global Energy Studies

### Mergers & Acquisitions – An Investor Viewpoint

Analysis of factors influencing present and future mergers & acquisitions (M&A) trends in the energy industry and the role of M&A in enhancing shareholder value.

- Mark Bentley, Managing Director, Global Co-Head, Energy & Utilities, HSBC Bank Plc
- Steven H. Davis, Chairman and Partner, LeBoeuf, Lamb, Greene & MacRae LLP

### Role of Innovation in Meeting Future Energy Demand

A panel discussion, moderated by Dr. Joseph Stanislaw, on the impacts of innovation and emerging technologies on sustainable energy supply and environmental compliance.

- Michael T. Eckhart, President, American Council on Renewable Energy
- Todd Newton, President and COO, Synenco Energy Inc.
- Dr. Anthony White, MBE, Climate Change Capital

### Perspectives on U.S. Energy Policy

Perspectives on present and future U.S. energy policy with a focus on legislative and regulatory developments and views concerning market power, incentive regulation, and reliability.

- The Honorable Samuel W. Bodman, ScD, Secretary of the U.S. Department of Energy (invited)
- William L. Massey, Partner, Covington & Burling
- James E. Rogers, President and CEO, Duke Energy

Friday, June 16, 2006

## Elective Session 1 – Industry Sector Breakouts

### Oil & Gas

Focus on the future of LNG and its impact on natural gas supply and U.S. power generation.

- Steven L. Zerkowicz, President, Energy Assets and Supply Group, KeySpan Corporation

### Power

Outlook for success in the merchant energy industry from the perspectives of power sector executives and experts.

- John E. Shelk, President & CEO, Electric Power Supply Association
- Andrew L. Good, Chief Financial Officer, Constellation Energy Commodities Group

### Regulated Utilities

Topics to include Federal Energy Regulatory Commission accounting and reporting requirements, accounting for utility mergers and acquisitions, tax normalization regulations, and market based rates.

- Janice Garrison Nicholas, Chief Accountant, Federal Energy Regulatory Commission

## Elective Session 2 – Topical Breakouts

### Energy Accounting, Financial Reporting and SEC Update

New developments and interpretations of accounting and financial reporting standards impacting energy companies.

### Combating Talent Shortage in the Energy Industry

By 2010, 50% of today's management and technical talent will retire from the U.S. Energy Industry. Panelists address preparation for a talent crisis.

- Eileen M. Campbell, Vice President of Human Resources, Marathon Oil Corporation
- Ernest L. Jenkins, Vice President, People Strategy and Human Resources, Pepco Holdings Inc.
- S. Gary Snodgrass, Executive Vice President and Chief Human Resources Officer, Exelon Corporation

### The Carbon Economy – Opportunities and Challenges

An analysis of the impacts of existing and future carbon policy and regulation on power generation alternatives and emerging carbon markets.

### Lunch

#### Rising Healthcare Costs – A True Epidemic

A leading authority addresses the role of government and industry in managing the uncontrollable increase in healthcare costs.

- The Honorable Tommy G. Thompson, Independent Chairman, Deloitte Center for Health Solutions, former Secretary of the U.S. Department of Health and Human Services

# Elective Session 3 – Topical Breakouts

## Energy Trading and Risk Management

Topics to include the entrance and strategies of financial institutions in the energy markets, the impact of LNG on U.S. gas markets, and initiatives of credit rating agencies to better judge risk management practices of market participants.

## Cyber Security: Importance to U.S. Critical Infrastructure

Perspectives on the energy industry's vulnerability to cyber security intrusions, government initiatives to address these threats, and current awareness and preparedness of the public and private sectors.

- Jerry Dixon, Deputy Director of Operations, National Cyber Security Division, U.S. Department of Homeland Security
- Lt. Gen. (Ret.) Harry D. Raduege, Jr., Chairman, Deloitte Center for Network Innovation, former Director of the Defense Information Systems Agency

## Global Accounting and Financial Reporting Developments

Regulatory developments affecting global accounting and reporting requirements, including convergence of International Financial Reporting Standards and U.S. Generally Accepted Accounting Principles.

In accordance with the standards of the National Registry of CPE Sponsors, CPE credits will be granted based on a 50-minute hour. NASBA National Registry of CPE Sponsors – Sponsor License Number 107752

State of New York – Sponsor License Number 000889

State of Illinois – Sponsor License Number 158-000583

### About Deloitte

Deloitte refers to one or more of Deloitte Touche Tohmatsu, a Swiss Verein, its member firms, and their respective subsidiaries and affiliates. Deloitte Touche Tohmatsu is an organization of member firms around the world devoted to excellence in providing professional services and advice, focused on client service through a global strategy executed locally in nearly 150 countries. With access to the deep intellectual capital of 120,000 people worldwide, Deloitte delivers services in four professional areas — audit, tax, consulting, and financial advisory services — and serves more than one-half of the world's largest companies, as well as large national enterprises, public institutions, locally important clients, and successful, fast-growing global growth companies. Services are not provided by the Deloitte Touche Tohmatsu Verein, and, for regulatory and other reasons, certain member firms do not provide services in all four professional areas.

As a Swiss Verein (association), neither Deloitte Touche Tohmatsu nor any of its member firms has any liability for each other's acts or omissions. Each of the member firms is a separate and independent legal entity operating under the names "Deloitte," "Deloitte & Touche," "Deloitte Touche Tohmatsu," or other related names.

In the U.S., Deloitte & Touche USA LLP is the member firm of Deloitte Touche Tohmatsu, and services are provided by the subsidiaries of Deloitte & Touche USA LLP (Deloitte & Touche LLP, Deloitte Consulting LLP, Deloitte Financial Advisory Services LLP, Deloitte Tax LLP, and their subsidiaries) and not by Deloitte & Touche USA LLP. The subsidiaries of the U.S. member firm are among the nation's leading professional services firms, providing audit, tax, consulting, and financial advisory services through nearly 30,000 people in more than 80 cities. Known as employers of choice for innovative human resources programs, they are dedicated to helping their clients and their people excel. For more information, please visit the U.S. member firm's website at [www.deloitte.com/us](http://www.deloitte.com/us)
